BOXING IN DRAYTON VALLEY

Leonard Urchysbyn of Drayton Valley and Larry Barner, of Edmonton South Side Legion Club, during the recent boxing matches in Drayton Valley.

Referee Andy Anderson watches closely as little Charlie Billingsley (left) and Marney Lowry give a good exhibition of peewee boxing.

Jerry Beck, (left) and Don Gauthier spar cautiously in the ring on Thursday, November 26.

In spite of some pretty stiff competition from other events staged in Drayton Valley the night of Thursday, November 26, the boxing card put on in the Elks Hall drew an almost capacity crowd. Nine bouts were staged, under the auspices of Drayton Valley Athletic Association. An excellent job of announcing the fights was done by S. H. "Spitz" Brown. Judges were Bill Johansson and Buddy Watkins, official timekeeper was George Miller. Referee was Andy Anderson who refereed the entire 23 rounds of fighting.

Box number one saw Doug Mahe, 94 lbs. of Canadian Athletic Club, Edmonton, mixing it hotly with Gary Mastr, 82 lbs., of the Drayton Valley Club. Gary was given an unanimous decision over the other lad.

In the second round Ken Sceman 105 lbs. of C.A.C. beat out Cliff Ronesseth 102, of the Edson Club for the decision.

Box number 3 was a rematch fight between Cliff Lindskog, 88 lbs. of Drayton Valley and Tom Mathews, 85 lbs., of South Side Legion Club. These were a couple of scrappy little fighters who put up a good fight all the way through for a final close decision for Lindskog.

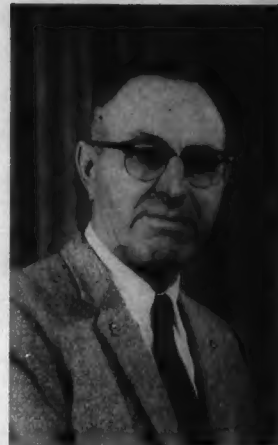

Two peewees fought it out in the fourth scrap. Charlie Billingsley, 45 lbs. and of South Side Legion and Marney Lowry, 51 lbs. of Edson. Both put up a mighty good and entertaining fight in which Billingsley got the judges decision. The fifth bout was between Leonard Urchysbyn, of the Drayton Valley Club, 65 lbs. and Larry Barner, 62 lbs., of South Side Legion. New to boxing, the Urchysbyn lad showed very good form and was the match quite handily.

The sixth bout was between Don Gauthier, of Edson, 136 lbs. and Geny Beck, 126, of Drayton Valley. In spite of the fact that he has not been in the ring or training for four years, and the twelve pounds he was giving, Beck put up a very good scrap, and we should see more of him at a later time. The judges gave the decision to Gauthier.

In the seventh match Ken Watt, 137 lbs. of Drayton Valley won in the first round by a T.K.O. over Bruce McMullen, 127, of the Edson Club.

Box Number 8 was between a couple of mini springing Swedes, Gerry Johnson, 127, of Drayton Valley and Reg Johnson, 129 lbs. of Edson. Down for the count of

District Personalities

Mr. John Robert MacKenzie

John Robert MacKenzie was born in Grand Forks, B.C., of Scottish parents. The family moved from B.C. to southern Alberta and homesteaded, and in 1926 Mr. MacKenzie moved to Vermillion.

He attended the Vermillion School of Agriculture for two years, graduating in 1928. Athletically inclined he held the Amateur titles for both boxing and wrestling for two years. He farmed in the Vermillion district until he joined the R.C.A.F. a few days after war was declared. He was in the Air Force Service Police, until his discharge in 1944. When he left the service his name was placed on the Reserve List, subject to re-call.

In 1942, after traveling some 2,600 miles, and looking over other farming areas, Mr. MacKenzie moved his family to the Drayton Valley District, feeling that this would be a good area for mixed farming since the Vermillion district had been frozen out or halted out for three years in a row. When the MacKenzies came here they bought the land where the present house is from Mrs. Dodson, and the land where the hotel and the rest of the downtown section of Drayton Valley is, from Mrs. Drake.

When the oil boom hit here and the farm was sub-divided he went into the trucking business, and is at present operating under the name of Mack & Mann Trucking, about half a dozen trucks.

In addition to farming he has worked at a number of other jobs: while farming in Vermillion before the war he worked for the railroad in the winter and as highway foreman in the summer; before coming to Alberta, as a young lad, he worked in gold mine and coal mine. For a while he also drove Greyhound Bus, being one of Greyhounds' first drivers when they started operating in Alberta.

Mr. MacKenzie is charter member of the Rotary Club in Drayton Valley, a member of the Canadian Legion, a member of the Army and Navy Club in Edmonton, a member of the Chamber of Commerce and is a member of the Elks Lodge.

Mr. and Mrs. MacKenzie were married in Vermillion, twenty-five years ago. Last Friday evening they celebrated their Silver Wedding Anniversary with a number of friends on hand for the occasion. They have five children: Kenneth, Margaret, John, and the twins, Barbara and Isabel.

fight in his lap until he landed an unintentional foul, to toss the fight to the Edson boy.

Local handlers for the local boys were: Don Booker, Gordon Cross and Ken Poltom. Heading the other group was Jim Penrose of Edmonton South Side Legion. (Cont. page 8, Column 3)

HIGHWAYS

Gordon B. Taylor, Minister of Highways, issued a second report today on the accident picture on the four-lane highways where the speed limit was raised to 65 miles per hour by night commencing July 1st. The following points have been observed during the period from July 1st to September 30th:

1. The overall accident rate on all of the four-lane sections where increased speed limits were in effect shows a decrease from 2.03 to 1.345.

(a) on the divided four-lane stretch between south of Bowden and Crossfield the accident rate decreased from 1.552 to 1.284. On this 34.5 miles there were 20 accidents during the same period in 1958 as against 17 this year. In 1958 there was one fatality and there were no deaths in 1959.

(b) on the divided four-lane stretch from Airdrie north to Crossfield the accident rate decreased from 2.023 to 1.032. There were 11 accidents on this 8.4 miles in 1958 with only 5 in 1959.

(c) on the four-lane undivided highway between Airdrie and Calgary the accident rate increased from 1.466 to 1.516. There were 11 accidents in 1958 and 14 in 1959.

(d) on the four-lane undivided highway between DeWinton and Airdrie the accident rate decreased from 2.2925 to 0.705. There were 6 accidents in 1958 and only 2 in 1959.

(e) on the undivided stretch between Edmonton and Hinton the accident rate decreased from 2.985 to 1.0064. There were 20 accidents during this period on this 10.8 miles in 1958 and only 2 in 1959.

(f) on the undivided stretch between north of Red Deer and the Sylvan Lake road the accident rate decreased from 3.931 to 0. There were no accidents in 1959.

(g) on the undivided stretch immediately south of Red Deer the accident rate increased from 2.348 to 6.763. There were 6 accidents in 1958 and 8 in 1959 on this 1.8 mile stretch.

This same stretch shows an increase in the number of accidents during the first 2 months also one fatality.

"I am very much concerned over this increase and the Department of Highways is consequently placing deceleration and acceleration notices on this 1.8 mile stretch. For traffic going north there will be a deceleration of speed from the north end of the divided four-lane to the City Limits. The speeds will be decelerated from 65 to 55 to 45 in order that traffic may be at the speed of 40 when reaching the City Limits. 40 miles per hour is the speed limit upon entering the City.

Better stop worrying about what your son will do when he grows up — and see what he's doing now.

MISSIONARY SHOWS PICTURES

An interesting after-dinner talk given by the Rev. Les Cornes at the conclusion of the Anglican Fellowship dinner the evening of Thursday, November 19th, held the close attention of his listeners. Rev. Cornes served for almost three years in the far Arctic region of Spence Bay, Cambridge and other far northern spots. He showed samples of the very fine sewing and bead work done by the Eskimos, and gave a very interesting account of life in the North. He showed slides and movies taken of various phases of life in the Arctic.

Very interesting were the pictures he showed of life on the trail; as a party goes out with a dog-team to make a trip to another portion of the country. He had pictures and gave a description of the building of an igloo for an overnight camp and also how they would build a wind-break out of snow blocks when they stopped along the trail to rest the dogs and to make a cup of hot tea. He showed how they would open a can of beans at camp before leaving, then freeze it and thaw it out when they stopped along the trail.

Each driver of the dogs carries a twenty-five foot whip, with which he can reach any dog in the string. In building an overnight igloo they would seal themselves in and spend the night in it, with just a small vent hole in the top, then in the morning someone would stick their hand out the vent-hole to see which direction the wind was blowing from and then they would cut a door opening on the leeward side. Rev. Cornes had one series of pictures taken last April, just before he left to come to hospital in Edmonton, on a mild spring day, when the thermometer only got down to 29 degrees below zero.

Mr. Cornes expects to return to the north as soon as he is able. He has learned to read, write and speak the Eskimo language quite fluently.

GREY CUP POOL WINNERS

The Annual Lions Grey Cup Game Pool saw four winners, all of whom got a sizeable piece of change. Pat Renish, Don Beckley and A. Heller all won two hundred dollars each. Peter Caseling, employed by Collard in their Edmonton office won four hundred dollars.

Telephone Operator: I'm sorry sir, but that number has been taken out.
Man: "Oh, yeah? Can you give me any information as to just who has been taking her out?"

Missionary, the Rev. Leslie Cornes with a number of the beautiful made articles he brought with him from the Arctic. Seen in the picture are hand sewn mittens, mukluks and dolls.

Special Albums—Special Pleasure

Not long ago a friend told us about an album that pleased us very much. First, because it's such a good idea—and secondly, because it's always nice to hear that some of the suggestions we make are really being put to use. Our friend has a young daughter just turned seven. "The last year was a very exciting and busy one for Kim," she writes "and I decided to do something about setting it down between covers." No, she didn't pen a book—she just collected all the pictures of Kim she had snapped during the year and assembled them in proper sequence in a large album.

Entitled "Now We Are Six", the album includes the high spots of those very important twelve months in a child's life. There are all the wonderful new experiences of going to school for the first time—new friends and playmates—the school bus—the playground and after-school activities. And as if that weren't enough,

there are pictures to testify that Kim also had a brand-new set of front teeth and a very pert new Dutch-boy bob!

Then, too, there are snapshots of Kim singing in the choir, practicing her ballet steps, making her dramatic debut in the school pageant, "going steady" with her favorite beau Skipsey (aged seven)—all innovations that occurred during the past year. And finally, the album closes with Kim's de-light in receiving as a birthday present what she had been asking for all year long—a new baby kitten named Christopher Cross in large letters.

This is the kind of album we believe really pays off in pleasure and satisfaction in the years ahead. It's the chronicle of a never-to-be-forgotten year—a chapter in the story of growing up—that will remain fresh and vivid forever because now it's all "between covers!"

Food for thought

By: Danita Boling.

This, you will never believe!! I've been reading that some of the men on this wild and woolly Continent of North America, are falling two lines with the old European custom of "kissing as ladies hand." Seems as if our ladies have been swooning over the custom just long enough to our rough and tough gentlemen are setting up a defense against the Continental dandies. My source of information says its not too painful to kiss a girl's hand, honest! Naturally certain rules must be observed. A gentleman should not kiss a ladies hand and shake it, too. That is considered "gauche" or "overdoing it" in the literature at Set. My informer also said that he had noticed that hand kissing is done smoothly after the handshakes has had a drink or two. It relaxes him, and also makes the lady's hand taste better. Men must keep in mind that the elbow and shoulder are not, strictly speaking, part of the hand. Somewhere between midlady's second and third knuckle is considered the ideal hand kissing spot and you handkissers must be sure to make sure you don't go north of her wrist. Ladies must remember to be calm and poised, never giggle and never yank the hand back with such force that the gentleman finds he is missing his front teeth! If this hand kissing business moves into our midst with a bang, there are a few things we ladies must consider. First of all we will all have to have electric dishwashers as dish pans hand may never be kissed. We will also have to devote a lot of time to soaking our hands in lotion and grooming our nails. When a country gentleman reaches for his hand to plant a kiss, we certainly want to be able to extend a hand that is lily white and soft as lamb's wool. Maybe the day of heroes on white horses and in shiny armor will return and we women can become the sheltered, demure maidens of yore! In the meantime I have windows to wash, floors to scrub and snow to shovel! If this hand kissing discussion has created the same picture in the minds of the rest of our ladies that is dancing through my mind, then your day will be full of chuckles. I can just see the husbands in Drayton Valley returning home after a hard day's work, dirty, grumpy and crouching as a bear, taking

the time to delicately bend over and kiss his wife's hand dutifully. Believe me, I would think twice before extending my hand to Ken as sometimes he is in such a foul mood that he might bite my entire hand off and not give it back. If the day ever arrives in the Boling household where hand kissing becomes part of the accepted routine then you can count me as I will have then lived long enough to have seen everything!

If I wanted to keep the recipe department in tune with the general theme I should give you a recipe for "Lacy Fingers" but they are easier to buy than make. In stead I will give you a recipe that was passed on to me by Mrs. Arnold Floyd and she says its an easy one as well as good.

Ice Box Cookies.....

1 Box white cake mix, 1/2 cup butter or margarine, 1 egg yolk, 1/2 teaspoon vanilla, 3/4 cup pecans, chopped. Mix all ingredients and shape in roll and chill in refrigerator. Slice and bake at 375° degrees for 8 minutes.

Mrs. Lloyd said she has also used the chocolate cake mix and feels that it is even better than the white mix, especially if you have a great fondness for chocolate. It might be fun to experiment with other types of mixes, too, such as the Spice Cake Mix.

Home & School

The regular monthly meeting of the Drayton Valley Home & School Association was held in the auditorium, Monday November 23rd. There were 44 members present.

The president opened the meeting with everyone singing O'Canada, due to the absence of the secretary, Mrs. read the minutes of the previous meeting, also treasurer's report.

Mrs. Ben Palmer was elected membership tickets since Mrs. Weldon resigned.

Mrs. D. Geist made the motion that the association pay the bill owing on the fence, seconded by Mrs. Holder and carried.

Mrs. Lawlence's grade IV room won the banner for having the most parents present.

The guest speaker for the evening was unable to attend, which brought the evening to an early adjournment.

Please remember to send your donation for the bazaar sale to each room teacher.

There will not be a meeting in December but please come the fourth Monday in January. The programme committee promises an interesting program.

Lunch was served.

To Whom It May Concern

Something very untitled for happened last Sunday. A black lab. pup was hit by a vehicle and left on his own. No, he isn't dead, his leg is badly broken and he was in great pain.

How could you leave him? I am not blaming you for hitting him, because he has never had to fear a driver. Although his 8 months have been spent with truck and car drivers.

Why wasn't he home? That's a good question and deserves an honest answer. We just moved home, and King like all young-uns wanted to get acquainted, is that so wrong that he deserved to be trucked down?

My friend, when ever you are, I feel sorry for you, King, poor that he is, would never have left you if you had been hurt. But he's a bad behaved dog, and doesn't understand human feelings.

If you're driving along in a couple of weeks and see a cripplingly lab-pup trying to play you can say to yourself "There, that's my work." And may your dreams be pleasant that night!

Sports

By: Gene Boley

Well, here it is, another week gone, and not much progress has been made on the ice for the hockey rink. It seems that the Hockey association and a local service club are playing that Algonquin and Gascum. But neither side is willing to take the first step.

The hockey group say they can't play without a dressing room, and the service club feel that one is not necessary if there is no ice upon which to skate. It appears as though the boys want to play hockey very badly indeed! Don't be hasty, get in there and start your ice, maybe that will prompt the others to move also. Before you realize it, the new year is here and spring is far behind! For the past two seasons, poor conditions have cancelled any play offs. The same situation is inevitable for this season if the first game isn't played before 1960! Surely the lack of cold weather can't be causing the delay, because this reporter witnessed a hockey game played by a group of young boys in a frozen pond last week.

Meanwhile, the sale of family "kissing tickets" continues.

ROAD CONST.

Gordon F. Taylor, Minister of Highways, has issued a final report on road construction in the Province of Alberta.

The Province undertook a program in 1959 to grade more than 454 miles to highway standard. 386.5 miles have been completed or 85% of the program. 97% of last year's program was completed in 1959.

Only 67% of the stabilized gravel base course has been laid as against 95% in 1959. This year 184 miles was laid. The program called for more than 287 miles to be done.

95% of the asphaltic plant mix surface course has been completed; that is 155 miles out of 24 have been done. In 1958 100% of the program was completed.

100% of the seal coat work or 194.5 miles has been completed.

217.5 miles out of a program of 242.7 or 90% of the double surface treatment program was completed. This double surface treatment program was done on an experimental basis to see if a cheaper type of stabilization that would stand normal traffic up to 45,000 lb. maximum would result. It was done as an alternative to applying oil as a dust layer. The 217 miles that have been completed will be watched most carefully by highway engineers, especially during the spring thaw.

The working season of 1959 was not a good one for road building. 3,325 shifts were lost due to rain and inclement weather. During 1958 only 1547 1/2 shifts were lost. The season has consequently made it difficult for contractors and tuckers. The Department will have to carry over the work not completed into the 1960 program.

"Black" - What did her father advise when you told him you loved his daughter? But only had a hundred dollars saved up.

"White" - He advised me to loved it all in a one-way railway ticket with no stop-overs!

Drayton Valley Senior High School Amateur Night

When you've used superlatives one year to describe an Amateur Night, the next year, when it turns out to be even better, you find yourself rather at a loss for words; however, suffice it to say that, good though last year's High School Amateur Night was, this year's production was even better.

A lot of work, a lot of time and a lot of planning had gone into the programs, which were staged on two separate nights, Thursday November 26 and Friday, November 27. Attendance was very good on both nights.

Following is a listing of the programs for the two nights:

Thursday, November 26th, 1959.

Grade One Chorus; Grade two Square Dance; Grade Two Selection of Songs; Elaine Athanas Tap Dance; Maureen Wade-Accordion Solo; Grade Six Fantomine; Francine Bland, Helen Bentley, Eileen Kharlin-Song; Dale Campbell-Fano Solo; Lorraine Teaser-Song; French Canadian, Irish Jig, Hawaiian Dance, Spanish Corrido, Five-Grade 6; Joan Wilkinson, Clara Shawell-Song; Barry Gillingham-Accordion Solo; Jerry Lewis, Howard Johnson-Dialogues; Grade Six Chool Band; Grade Six Group-Song; Grade Seven Fashion Show, Terry McManus, Deedee McManus-Song; Ruby Sato, Junnie Amari-Song; Grade Seven Group; Ricky Simon-Song; The Dreamers-Song; The "Satellites"-Song.

Friday, November 27th, 1959.

Grade 2 Group: Songs: Grade 2 Drill; Fan Simon-Reclation; Elaine Hoff-Song; Grade 5 Square Dance; Melinda McDonald, Fay Bohne, Donna Gorrigan, Elaine Hoff-Song; Grant Bentley-Accordion Solo; Elaine Nelson, Andrea Tremble-Song; Donna Storing-Two Reclations; Gordon Pickup, Mary-Anne Karama-Song; Grade 6-Campfire Songs; Jerry Lewis-Monologue; Jo Anne McLean-Tap Dance; Grade 6 Square Dance; Ronny Baxter, Lynda Robertson-Song; Gordon Pickup, Delphine Johnson, Richard Smith, Jerry Hunsell-Song; Louise Campbell, Ruby Sato-Song; Audrey Galt-Singer-Accordion Solo; Barbara

Lodgepole News

By: Jean Bernick

A real lively affair in Lodgepole recently was the Shivanis held for Mr. and Mrs. Sam Kusco. The Woldens orchestra provided music for the occasion. Entertainment was also provided by Mr. Davey Ellery and Mrs. Thora Brinkler. Lunch was served and a fine time was enjoyed by all.

We are very sorry to hear of the accident that Thora, Jean and Ethel had. Insurance was held.

SILVER WEDDING ANNIVERSARY

Mr. and Mrs. John MacKenzie celebrated their twenty-fifth wedding anniversary on Friday evening with a group of friends on hand to wish them well. One of town guests included Mr. and Mrs. Al Williams, brother and sister-in-law to Mrs. MacKenzie another sister, Mrs. McCann and Mrs. MacKenzies' mother, Mrs. Williams, all of Vermillion.

Guests from Edmonton included Sam Simpson and Ivan Hotter. The evening's entertainment included cutting a wedding cake, a replica of the one served twenty-five years ago, baked by Mrs. MacKenzie.

HOW MUCH ARE YOU WORTH?

The weekly contribution to the Series by local Church Leaders is presented by Reverend Albin Wright of the Drayton Valley United Church.

A man of great wealth and many possessions was showing a friend around one of his beautiful estates. As they walked along the garden and beheld the beauty of the flowers and shrubs against the background of acres of lawn the wealthy man said to his friend: "Do you mean to tell me that all of this does, not really belong to me?"

The friend replied, "Let me answer that question 100 years from now."

Sooner or later each of us must come to realize that we are made into this world with nothing and we leave it with nothing. When we acknowledge this fact we have taken a first step in understanding the meaning of Stewardship. Contrary to popular belief we do not own anything in this world, we merely handle possessions in trust.

The American Industrial, LeTourneau, manufacturer of construction equipment explains his concept of Stewardship in a way. "I do not decide how much of my money I am going to give to God, rather, I decide how much of God's money I am going to keep for myself." Dr. Charles E. Crouch, Department of Economics and Business Administration, Vanderbilt University, comments: "The greatest challenge to the American church today is to show the public that its members are living and practicing the principles of Christianity in their daily living and business."

For our religion to be dynamic we must be aware of Christ as our partner in business, as our companion at work. The Steward is one who acknowledges his responsibility for the management of God's possessions.

Rev. John Sorochan of the British and Foreign Bible Society will address an interdenominational meeting at the United Church on Tuesday December 9th at 8:00 p.m. An interesting film depicting the work of the Bible Society in India will be shown.

The Bible Society is supported in its work of distributing Bibles throughout the world by churches of all denominations. A very

sincere welcome is extended to everyone to be present at this very interesting and informative meeting. The film that will be shown was produced in India by the Rev. Emmanuel Hevan, who was formerly the field secretary for the Bible Society in Edmonton.

HIGH C GROUP

On Sunday, November 23, the newly organized High C group of the United Church got off to a good start with 17 members present. Alvin Hope was elected as President, Janice Williamson as Vice-President, Sheila Campbell as Secretary-Treasurer and the four members elected for the Program Committee are Sharon Woods, Karen Syleva, Allan Disney, and Gordon Tucker. Mr. and Mrs. Gordon Baker are acting as adult counsellors for the group.

After a couple of games had been played, the evening was ended with the serving of coffee and doughnuts. All students grades IX, X, XI and XII are cordially invited to attend the group on Sunday evening at 8:00 o'clock.

CUB & SCOUT MOTHER'S AUXILIARY

The Cub and Scout Mothers' Auxiliary would like to thank everyone for helping to make the picnic drive such a success.

The night was one of the worst we have had this winter with 6-8 inches of wet snow but the brave little cubs went eagerly on their way.

A special thank you to Mr. Heyland and the volunteer drivers, they had a very big task with a car load of cubs plus slippery roads.

Thanks also to the Lions Club for advertising on the P.A. system both afternoon and evening. All the porch lights helped these young boys climb through the drifts and up to the door.

THANKS TO MR. KRAUSE AND MR. LARABELL FOR MAPING OUT THE DRIVE!!!!!!

Matters such as drag strips, liability insurance and organization will be some of the subjects discussed. It is expected that some fifty delegates will be present.

This is the first provincial Hot Rod Club conference held anywhere in Canada.

Delegates from organized hot rod clubs throughout the province are expected to be in attendance.

YUKONER IN DRAYTON VALLEY

Rudy Mittelstadt came here recently with his truck from the Yukon, where he was in the trucking business in Whitehorse. Mr. Mittelstadt has been trucking for Willoughby Gravel Crushers where Willoughbys have a government contract to crush gravel on the river bank south of Violet Grove. Mrs. Mittelstadt has been cooking at the camp. Rudy brother to the Mills brothers, Al and Tiny, of wrestling fame. Both Mr. and Mrs. Mittelstadt claim to like the North country more than any place they have ever been.

JOHN BILLINGS Sox...

Watching one's bath all the time is like watching the weather—a grave deal of time is lost, and there is just as many showers after oil.

"What's wrong?" cried the wife when her husband belched from the bathroom.
"My razor—it won't cut."
"Don't be silly, she responded, 'your beard can't be rougher than the linoleum.'"

Yesterday is gone, tomorrow is uncertain; today is here: USE IT!

WEDDING (continued)

Flashed by her bridesmaids, Miss Doreen Pown, and Miss Cecile Parenteau, cousin to the bride. Miss Pown was groomed in a white length gown colored dress, while Miss Parenteau was dressed in aqua colored gown. They carried matching bouquets.

Bestmen were Mr. Rodney McGinn, brother to the groom and Mr. Clarence Dockett.

Following the ceremony, a reception was held in the Parenteau home for some fifty guests. A Wedding Dance was held in the Tomahawk Community Hall in the evening with lunch served at midnight.

CHAMBER OF COMMERCE MEETING

Drayton Valley's Chamber of Commerce held a meeting in the rear of the Royal Bank building. Licensing regulations were discussed, and a motion was passed that the Chamber sponsor an ad. requesting householders to notify the police of any unlicensed peddlers.

A letter was read from a lady in another town requesting information relative to setting up another beauty parlor in Drayton Valley. The secretary was asked to write the lady a letter suggesting she come and look over the possibilities of the town. A committee to investigate advertising in the Trade and

Commerce Magazine with a view toward advertising the industrial potentials of this area was set up. Appointed to the committee was Mayor Adrain Meier and Chamber Chairman Jim Cumlin.

It was decided that the Chamber would sponsor a Christmas Tree decoration contest for residences. Prizes for the contest will be \$15.00 for first prize, \$10.00 for second prize and \$5.00 third prize. The clergymen or the town are to be asked to act as judges for the contest. Judging will be concluded by the evening of December 23rd, and the prizes awarded then.

The Chamber decided to sponsor a Christmas Community Christmas tree again this year similar to the one that was erected last year. Chairman of the Christmas tree committee is Stu Lunan. The tree has already been set up and will soon be lighted.

Hours of closing for retail merchants in the town, and a day, or half day of closing came in for considerable discussion and it was decided to form a committee of retail merchants to delve into the matter more thoroughly. Appointed to the committee were Tom Smith, of Wilmar Foods, Rex Burrows, of Rex's Radio & T.V. and Len Barnard, of Drayton Valley Dry Cleaners.

NEW MAGISTRATE

Magistrate Clendenen, formerly of Saskatchewan has recently been appointed as full-time magistrate for this area. He will hold court in Drayton Valley regularly every Tuesday morning. For the time being Magistrate Clendenen will live in Stony Plain, where he will also act as Magistrate for the Town of Stony Plain.

NEW OWNER IN BILLIARD ROOM

Harry Lindstrom, from Connaught, Alberta is the new owner of Graylin Billiards. Mr. Lindstrom bought out Mr. Gray and Mr. Regie recently. He says that one reason he came to this

area was "grasshopper and gophers". In other words, Mr. Lindstrom who was farming in the Connaught area, had trouble with both of those pests and decided to sell out and come to Drayton Valley.

SPORTSTALK

By: Gene Baley

First of all, I wish to make a reminder to anyone who felt slighted or insulted by last week's column. The last thing that is intended in this column is to offend, and anyone however if interest is aroused and if my readers feel that something which appears here should be acted upon, then I feel that this column has accomplished everything it was intended to.

It appears that there is more behind the back of hockey ice than was hinted at last week. The present site of the hockey rink rests partly on property owned by the Dept. of Public Works; and

On the other hand, if the government refuses to part with that portion of its property that is needed, it looks as though a new site for the hockey rink might have to be found. Judging from the way that town are going at present, finding a suitable site might prove to be a difficult task.

Tennis to bowling, everyone is reminded that the Bowling Banquet this year will be on December 21st. Regular league bowlers can pick up their tickets free at the Bowling Alley. Any other persons interested, page 1, sec. 2, col. 6.

Dis
Pers

Mr. Ian MacGregor

This week's District Personality deals with a man who has but lately come to the community, but whom we all expect to see quite frequently. In the future, Mr. MacGregor is the new manager of the brand new SSS Variety Store, which is having its official opening this week.

Ian MacGregor was born in Chauvin, Alberta, the son of a United Church minister. With his father in the ministry Mr. MacGregor moved considerably and took both his elementary and high school education "on the fly"; having lived in Alberta, B.C. and Saskatchewan. So accustomed to moving in fact, is the clergyman that the author of the best selling novel "Papa Was a Preacher" claimed that every spring after his father came home from the Annual Conference the chickens laid on their

back with their feet in the air, to have their legs tied, ready for the move to the next parish.

Mr. MacGregor's business experience includes 17 years in the retail business in Alberta, 6 years as a commercial traveler and 3 years in the drygoods wholesale business, from which he came to manage the store in Drayton Valley.

Mr. and Mrs. MacGregor were married in Connaught, Alberta. They have one married son and a girl in high school. As soon as a home can be arranged for them Mrs. MacGregor and the daughter will move to Drayton Valley. Mr. MacGregor is a member of the Elks. He is very interested in community activities. He particularly likes curling in the winter and golf in the summer.
